Dear Sirs

VIKING LIFE-SAVING EQUIPMENT A/S hereby accredits the organization listed below as a servicing station for VIKING Inflatable Liferrafts, Lifejackets and Immersion Suits. :

AZsafety Production LLC
Hovsan Sea Trade Port,
Shakir Ziyadov str.1, Hovsan, Baku,
Azerbaijan
VIKING authorized servicing station No. 2175.

Continued accreditation of the above mentioned servicing station is subject to its maintenance in accordance with **IMO Resolution A.761(18), Recommendation on the conditions for approval of servicing stations for inflatable liferafts** and the use of servicing personnel in possession of a valid certification to service the mentioned products.

Likewise, the accreditation is only valid as long as the servicing station complies with agreement no. 2175/2023 between VIKING and the servicing station. If the agreement is terminated or expired this accreditation as well as all personnel certificates immediately become invalid.

This accreditation is furthermore subject to the organization's maintenance of the approval of the National Administration.

VIKING reserves the right to withdraw this accreditation if the conditions listed above are in any way violated.

Subject to compliance with the above conditions, this accreditation is valid until expiry of above agreement on 30th June 2025..

Yours faithfully

VIKING LIFE-SAVING EQUIPMENT A/S
